WHAT IS A CANADIAN CLUB?

The Canadian Club is an organization of patriotic Canadians who are interested in the activities of their country and its future. They foster interest in Canada's institutions, encourage Canadian unity, and support celebrations and anniversaries relating to its history and heritage.

The first Club was founded in 1893 in Hamilton by a group of leading Canadian citizens who worried about the lack of patriotism in the country at that time. Canada seemed to have a lack of direction of its own. Sir John A. Macdonald had passed away and the young country struggled with four Prime Ministers in five years. Railway expansion had slowed, the economy was in the doldrums and there was little agreement on Canada's future. The needed injection of patriotism came from Charles McCullough and his group of friends who formed the first Canadian Club. Since the concept seemed rational, Canadian Clubs were soon organized from coast to coast.

The Association of Canadian Clubs was chartered by an Act of Parliament in 1939.

The Canadian Club of Edmonton was founded in 1906 and celebrated its 100th Anniversary in 2006. We meet to hear outstanding speakers addressing Canadian topics. During lunch we participate in stimulating conversation with our table companions, and we are joined by students who are visiting our club as our guests. The issues they present may be of local, national or international importance, but always there will be a Canadian flavour or relevance. Our members are men and women of all political, religious, cultural and economic backgrounds. Anyone who wants to meet others who have an interest in Canadian affairs is encouraged to join.

The Canadian Club of Edmonton supports nation-building endeavours and participates in Remembrance Day services. Its Board of Directors is responsible for the administration of the club. Interested members may serve on the Board to set policy and help organize the club's meetings, activities, and occasional social activities. Members belong because they care about Canada, are interested in its future, and wish to be better informed about issues that concern our country.

The Canadian Club of Edmonton meets at the Chateau Lacombe at noon, usually the third Wednesday of each month except May, July and August.
