The Status Quo must Go!**

Ted Morton represented Albertans in the Legislative Assembly from 2004 to 2012 as an MLA, and served as the Government Minister in several portfolios including Sustainable Resource Development, Finance & Enterprise. He is a dual citizen of the US & Canada, with parents that had deep roots in the US Oil & Gas industry and State political life. Since 2012 Dr. Morton has been active with the Manning Foundation, the Alberta Land Institute, the Council of Canadian Academies and the University of Calgary where he currently serves as Professor Emeritus of Political Science. Dr Morton is a co-editor and contributor to a forthcoming book *Moment of Truth: How to Think About Alberta's Future*, due out later this Fall.
